

Order Payment Details Dashboard

The Order Payment Details dashboard provides a granular view of payment attempts for your orders. It can be viewed under the order payment topic at **Kibo Standard Reports > Payments > Order Payment Details Dashboard** in the navigation menu.

The supported filters that can be applied to this dashboard are:

Name	Description	Default
Site Name	Restrict results to one or more of your sites.	All
Payment Created Date	Limit results to only order payments created within this time range.	Past seven days
Payment Type	The type of payment used such as a credit card, PayPal, etc.	All
Payment Status	The workflow status of the payment such as Authorized, Collected, Voided, etc.	All
Order Payment Status	The order-level payment status including paid, unpaid, and credited.	All

There are no special measures that are calculated by this dashboard.

The tiles that make up this dashboard are:

Name	Description
Order Payment Details	A table where each row represents a payment attempt and the following columns are included: Order Number, Payment Created Date, Payment Type, Payment Status, Amount Requested, and Amount Collected.

Name	Description
