

Product Subscription Dashboard

The Product Subscription dashboard keeps you up to date on how individual product subscriptions are performing. This can be viewed under the Subscriptions topic at **Kibo Standard Reports > Subscriptions > Product Subscription Dashboard** in the navigation menu.

2 Subscription Count					
Subscription Product Details					
Subscription Number	Customer Account ID	Email Address	Product Code	Product Name	Subscription Status
10	1123	customer@example.com	1001	Subscription Configurable Product - 1 (m)	Active
12	1005	customer@example.com	1001	Travel Gotta Paper Pump (m)	Active

The supported filters that can be applied to this dashboard are:

Name	Description	Default
Site Name	Restrict results to one or more of your sites.	All
Subscription Created Date	Limit results to only subscriptions created within this time range.	Past five weeks
Product Code	The unique identifier for the product.	None

The measures that are calculated by this dashboard are:

Name	Description
Subscription Count	Count of subscriptions for the time window.

The tiles that make up this dashboard are:

Name	Description
Subscription Product Details	The details of each subscription: Subscription Number, Product Code, Product Name, Subscription Status, Email, and User ID / Customer Account ID.
