# Subscription Dashboard

The Subscription dashboard keeps you up to date on how individual subscriptions are performing. This can be viewed under the Subscriptions topic at **Kibo Standard Reports** > **Subscriptions** > **Subscription Dashboard** in the navigation menu.

The supported filters that can be applied to this dashboard are:

Name	Description	Default
Site Name	Restrict results to one or more of your sites.	All
Subscription Created Date	Limit results to only subscriptions created within this time range.	Past five weeks
Subscription Status	Current status of the subscription.	All

The tiles that make up this dashboard are:

Name	Description
Total Subscription Count by Status	The count of subscriptions in each status for the time window. For a list of all possible subscription statuses and their definitions, see the Subscriptions Overview guide.
Total Subscription Revenue by Status	The subscription totals (revenue) in each status for the time window.

Name	Description
Subscription Details	Table containing the details of each subscription: Subscription Number, Next Order Date, Email, User ID / Customer Account ID, Subscription Status, Subscription Revenue, and Reason (populated only for cancelled subscriptions).
